OUR PARTNERS

PARTNERSHIP & PROBLEM SOLVING

DTE Golf recognizes that every course is unique and requires a custom set of resources. That's why we formed a dedicated team of professionals who meet you on the ground and work with you and your staff.

- Work directly with ownership and staff
- Perform an initial site assessment to identify potential improvements
- Execute weekly evaluations, interact with members and customers, recognize all concerns, and execute real solutions
- Share our network of resources, giving you access to construction, irrigation, pest control, accounting, and repair services
